NOTE:

Thousands of people are sitting on road between sukkur and jacobabad without shelter

Rain has affected other vast areas of the districts

RED ALERT issued to Khanpur town of Shikarpur district having population of approx: 100000 people

Districts Khairpur, Sukkur, Larkana and Dadu may be severely affected by the flood with the opening of canals

Information is being updated/verified from various sources

The number of affected people and damage may increase rapidly.
